

AFEO Education & Capacity Building Webinar

Globalisation and Collaboration of Higher Learning (IHL) to address the Sustainability Development Goals (SDGs): Series 2

APRIL 2022 (Friday

4.00pm (MYT/SGT)

Meet the Speakers

Collaboration among all the countries is required to address the SDGs. This webinar seeks the potential collaboration between the IHLs from different countries and regions in addressing the SDGs. It targets to bring in potential collaboration to the IHLs in ASEAN countries from other regions such as Japan, Australia, and others. The possible collaborations are student / faculty exchange, twin programme, research, undergraduate / postgraduate outreach, and etc.
